

iOTA Cellars ~ Pelos Sandberg Vineyard 2014 Whole Cluster Pinot Noir

Nuanced and graceful on the nose, the '14 iOTA Whole Cluster Pinot Noir reveals aromas of baked cherry, white pepper, ginger and faded rose petal. Its bright and jazzy midpalate gives way to rustic notes of tobacco and smoke, finishing with a velvety, supple texture. This highly limited offering was bottled unfiltered and unfiltered, aged for ten months in three-year air-dried French oak barrels and cellared for an additional fourteen months in bottle before release. It is distinguished by a fermentation of intact clusters that include whole berries as well as their stems. The technique imparts the wine with certain distinct characteristics. 96 cases were produced. It is comprised of four clones from four Pelos Sandberg Vineyard blocks: Pommard, Wädenswil, Dijon 777, and Dijon 667.
