

iOTA Cellars
2016 Chardonnay

Expressive and rich, the straw-colored 2016 Chardonnay's nose reveals juicy, white stone fruit scents. Its textured and weighty midpalate is underscored by a bright acidity that sails along its lengthy finish. Comprised of Dijon clones 69 & 95 from Petros South Block, our inaugural estate grown Chardonnay was barrel fermented and bottled unfined & unfiltered. It was aged for eleven months in French oak barrels—53 cases produced.
