"The 40% new French oak seems just right, putting a toasty frame around robust black-cherry fruit. There's a spicy zip to the back-half flavors, and a clean lingering finish with highlights of mocha and smoke."

"Moderate garnet color in the glass. Appealing aromas of black cherry, blackberry, and pipe smoke. Plush in the mouth with a serious extract of fresh black cherry and black raspberry fruit flavors accented with spice and a subtle smoky signature. Plenty to discover in this wine with many nuances, commendable harmony and an inspiring finish."
